Agency Reports:

NRCS:

FSA: None

Bear Lake County Commissioner: Devin told us that there is a public hearing on January 14 for the Landuse ordinance.

Bear Lake County Extension: None

ISWCC:

Grant Updates:

Conservation Basics, LLC: Teuschers have some of the pipe in the ground. They are still going to try to do more this year. Joel Teuscher got his well in. Money has been requested and should come to the District

soon so that we can get him payed. Richard is not going to get anymore done this winter. Reagan Phillips would like to still do the streambank for Boehme's. He is hoping to bring rock over maybe Monday. The Bear BAG meeting has still not been rescheduled. It may end up being just a phone conference.

District Manager of Operations: Brandee told the board that things are going well. The school would like to do their school day at the end of January this year. She will work with the teacher to figure out a day and let the Board know.

Next Meeting Date: January 7, 2019 at 1:00
