Grant updates

Conservation Basics, LLC: Shawn gave the report. (See attached Report)

Sharon-BL Nutrient reduction project. Hoping to get reimbursement out. Sabrina-wind break

Chris had his Envirothon team send a thank you and it was shared with those present shared.

District Manager of Operations: Water Meters water meeting- water measuring devices- discussed at Georgetown water meeting. Want to know the law on water meters? Want to add meters as a requirement for all grant projects. Motion made to require all grants require a meter and lockable head gate on all grant projects. Second and approved by the board.

Scholarships: 10 applications turned in. There was a discussion on if the applicants thought that the counselor was going to provide the transcripts for them or not.

3-Ag related-with 1 official transcript

7 non-Ag related

There was a suggestion to require acceptance letter or proof of enrollment. Bullet points on application of requirements, and to have in person delivery not to school office.

Devin made motion \$750 for complete Ag, \$500 for Ag with transcript, \$250 for all the rest. Final total \$3,250. Second and approved by the board.

The board will have Brandee rework the application with bulleted points:

- An official high school transcript
- In person delivery to the office
- require acceptance letter or proof of enrollment

Next Meeting: June 12th, 2023

Adjournment: Todd made a motion to adjourn. Mark 2nd the motion.
